

CSBC is thankful for God's Faithfulness
Missions Giving Report
January-September 2020

God's People Remain Faithful

As the year has progressed and with the pandemic on the increase once again, California Southern Baptists have remained faithful in ministry and missions in their communities and throughout the world.

Each CSBC congregation has opportunity to influence its local community through daily touches by members and staff. I'm grateful to churches which give to the Cooperative Program and California Mission Offering allowing California Southern Baptists to continue their ministry in communities across the Golden State and around the globe.

Because of your giving through these established channels, and through special offerings such as the Lottie Moon Christmas Offering and the Annie Armstrong Easter Offering, it is possible to fulfill the evangelism and mission mandate of the Great Commission in Matthew 28:19-20.

At the same time these gifts and offerings enable California Southern Baptists to fulfill the Great Commandment found in Mark 12:28-29 through many ministries of our congregations - individually and collectively - such as Feeding Those Who Feed Us migrant ministry.

This season of uncertainty hasn't been all bad. It has stretched us to be creative in the ways we never thought possible. Churches embraced technology so they could continue worshipping. Pastors, church staff and church members have continued to minister to one another. And churches have ministered in their communities in unparalleled ways. In many instances, you have been the hands and feet of Jesus to those in desperate times.

Uncertainty can be a scary and sometimes paralyzing. However, CSBC congregations have stepped up their efforts to see ministry continue. I contend that God has not been surprised by this as He works out His perfect will for us and for His Kingdom.

Thank you, California Southern Baptists, for your support and trust in 2020 as we partner to tell 35 million unsaved Californians and a lost world about the love of God through His Son, Jesus.

Bill Agee
Executive Director
California Southern Baptist Convention

Your prayers, your gifts, and your participation are joined together in a purposeful collective we call the California Southern Baptist Convention. In spite of all of the challenges in the past year, we've seen you show up in ways that we never could've imagined.

We want to invite you to continue to be a part of writing the next chapter of our collective story. Please continue to join in God's work for our state and prayerfully consider giving to this year's California Mission Offering. You can find more information at csbc.com/cmo.

Most California Southern Baptist Convention churches are plateaued or in decline. Through the Church Revitalization Initiatives Team, 233 churches are involved in "Count the Cost," a process to help revitalize congregations by helping them reach people in their communities. Your Cooperative Program and California Mission Offering gifts make this ministry possible and available to all CSBC congregations. www.csbc.com/count-the-cost

CALIFORNIA MISSIONS GIVING

The Cooperative Program and California Mission Offering are the primary vehicles of supporting evangelism and missions in California and throughout the world. The Cooperative Program is Southern Baptists unified plan of giving to support worldwide missions and ministry. Each Southern Baptist congregation gives a portion of its undesignated receipts to support the state Baptist Convention. Each Convention gives a percentage of its budget to support the Southern Baptist Convention and its worldwide efforts. This plan provides opportunities to tell people about Jesus locally, statewide, nationally and internationally. The California Mission Offering is an opportunity to additionally support mission endeavors in California, one of the greatest concentrations of the unchurched in North America.

THE WORLD

CSBC sends CP gifts to the Southern Baptist Convention for world mission causes. Most of these gifts fund the strategies of the International and North American Mission Boards, including deployment and support for nearly 9,000 missionaries. Six SBC seminaries (including Gateway Seminary in Southern California) and the Ethics & Religious Liberty Commission also are supported through the Cooperative Program.

SEMINARIES

The SBC uses part of your church's gifts to prepare God-called men and women for vocational service in Baptist churches and in other Christian ministries throughout the world through programs of spiritual development, theological studies, and practical preparation in ministry. Gateway Seminary in Ontario is one of six Southern Baptist Seminaries and the only one in the western United States.
